

MARYKNOLL SOCIETY MISSION IMMERSION TRIPS

Immersion trips are offered for small groups of front line parish ministers (deacons/wives, teachers/catechists, Hispanic parish leaders) and university/young adult communities to encounter Christ in other cultures, particularly those on the margins, so that they can come back to build communities of missionary disciples at home. 2019 MARYKNOLL MISSION EXPERIENCES

SHORT-TERM VOLUNTEER PROGRAMS

CHINA TEACHERS PROGRAM

Ever consider spending a year in China teaching English as a second language? Our China teachers program offers a unique opportunity to share and live out your Christian calling educating young Chinese university students. Your active faith will motivate and empower college students, colleagues and new friends through your classroom teaching and other informal opportunities. At the same time, your life will be enriched by the beauty of the Chinese culture and new relationships as well as enhance your professional teaching experience. Teachers often say that this experience has changed their life! For those who cannot participate in the full year program we offer shorter opportunities where volunteers come for 1-2 months and offer university students individual attention by tutoring them in the English language. Free room and board are provided during this time.

In Thailand volunteers work in varied projects in Bangkok, but the major focus is on teaching English to Buddhist monks and lay persons. Teaching experience is not required, and volunteers for this program come from all walks of life. A minimum commitment of 8 weeks is required. Volunteers also work with children and support the needs of refugees. Volunteers are responsible for airfare and medical insurance. Lodging and food costs are supplemented by Maryknoll.

In Myanmar volunteers teach English at the LaSalle Brothers' school in Yangon. Volunteers are responsible for airfare and medical insurance. Lodging and food are normally largely provided by the Brothers.

**ANNUAL PRIESTS AND DEACONS
PILGRIMAGE/RETREAT TO CENTRAL AMERICA**

This trip is offered each year in the middle of January. It will be a 10 day spiritual journey open to bishops, priests, brothers, and permanent deacons. Walk in the footsteps of modern day martyrs. The people they served and the Catholic Church itself suffered persecution. Learn how these faith-filled men and women were able to sacrifice their lives as witnesses to Jesus' message of love, hope, joy and peace.
